## All the Tools Necessary to Write and Research Effectively

The redesigned *Writer's Reference Center*, featuring a cleaner look and easier-to-use interface, provides users with a convenient one-stop location for all of the tools necessary to write and research effectively. From the mechanics of writing and grammar to style and research, this indispensable online resource thoroughly covers the fundamentals of quality writing, provides a wealth of vocabulary-building dictionaries, and presents a step-by-step guide to writing a good essay. An in-depth grammar section defines grammatical terms and gives examples of use, while another section explores writing style. Writing resources teach users how best to revise their work, and the intuitive new design allows users to find relevant information quickly through customizable searches and browsing.
